Dear all,

Inform all students to register before the dead line.

Higher study option students can also apply.

They can secure this job for backup.

Best wishes

Cognizant

2022 CAMPUS HIRING

From internship to higher education - We have you covered!

Dear Professor,

Welcome to the Campus Hiring season 2022.

In continuation to the discussion we had on the GenC Next hiring process, we are glad to share the **Registration link** which is given in the attached mail. We would request you to share the same with the students so that they can begin their registration process.

The registration will be closed by **29th July, 6 PM.**

Note:

- The attached mail must be saved on the desktop to enable the **SEND** button, post which it can be sent to the students
- Registration and hiring will happen on Superset, our 2022 Campus Hiring partner. You will get a separate link from Superset team, where you can update/delete/track details of students who have registered from your Institute.

Regards,
Human Resources - GenC

Disclaimer:

Cognizant takes its hiring practices seriously and appreciates you keeping the Company informed of any individuals posing as Cognizant employees who make false job offers using Cognizant's name. We remind you that while recruiting employees, Cognizant will only communicate with you through authentic Cognizant email addresses and Cognizant will never extend any job offers to anyone based on an online application without first conducting an in-person, video, or telephone interview through verified encrypted channels. If any such mails purporting to come from Cognizant are received, we advise you to contact us at GenCHRComplianceIND@cognizant.com
