We are GEP

GEP helps global enterprises operate more efficiently and effectively, gain competitive advantage, boost profitability, and maximize business and shareholder value.

Fresh thinking, innovative products, unrivaled domain and subject expertise, and smart, passionate people – this is how GEP creates and delivers unified business transformation solutions of unprecedented scale, power and effectiveness.

The primary research firm in the management consulting sector, ALM Intelligence, ranks GEP leader in procurement strategy and supply chain consulting. Also, named a Leader in the Gartner Magic Quadrant and Best Provider at the World Procurement Awards and EPIC Procurement Excellence Awards, GEP is frequently honored as an innovator and leader in source-to-pay procurement software by Gartner, Forrester, IDC, Procurement Leaders, Spend Matters, PayStream and Ardent Partners.

In addition, GEP is also ranked leader in managed procurement services by Everest Group, NelsonHall, IDC, ISG, HfS and IAOP.

With 18 offices and operations centers in Europe, Asia, Africa and the Americas, Clark, New Jersey-based GEP helps enterprises worldwide realize their strategic, operational and financial objectives. Team GEP

GEP is a **diverse, creative team** of people passionate about procurement. We invest ourselves entirely in our client's success, creating strong collaborative relationships that deliver extraordinary value year after year. We deliver practical, effective procurement/supply chain services and technology that enable leaders to maximize their impact on business operations, strategy and financial performance.

Our company is organized to best enable our people to achieve outstanding results for clients. We are **flexible, innovative** and **open to new ideas**. This ethos shows up in advanced products and services that challenge conventional thinking and enable us to deliver outstanding results to our clients. Our consultants bring a diversity of viewpoints and experience from varied backgrounds. They apply and expand their knowledge and expertise throughout client engagements. Guidance and growth are driven by senior management through an open-door policy, flat organizational structure, and challenging opportunities.

As a global firm, we are an amazingly diverse, multicultural, and multilingual team working on some of the most complex challenges and interesting opportunities in global business.

We know each client is different, and configure ourselves to meet their needs. GEP is flexible and client centric. As needs change and businesses evolve, we do too.
