Mu Sigma Aptitude and Personality Test

Process and Guidelines

Get one step closer to becoming a
FUTURE-READY LEADER
with Mu Sigma

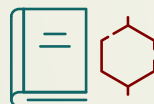

muAptTM

Duration: 90 minutes

muAptTM is an online, multiple-choice test used by Mu Sigma to hire fresh graduates. It is designed to evaluate prospective hires on four parameters:

Analytical
Aptitude

Technical
Know-How

Communication
Skills

Logical
Reasoning

Selfie Video and Video Synthesis

Duration: 40 minutes

The second phase of the hiring process is conducted asynchronously, where the candidates are tested on the following:

Engagement and
Communication

Ability to Comprehend
and Abstract
