### **Analyst – Tech Risk**

- Ensuring high quality in client service by directing daily progress of fieldwork, informing supervisors of engagement status
- Communicate issues to the engagement team
- Collaborating with members of the engagement team to plan engagements and develop work programs, risk assessments, and planning documents

### **Analyst – Analytics**

- Manage client's expectations and work with team in developing the analytical solution.
- Hands on involvement in building appropriate mathematical models
- Contribute to existing solution by revisiting it with open source approach
- Ability to communicate complex data analysis in simple plain language.
- Ability to present information professionally & concisely with supporting data.
- Ability to understand the complex data relationships, knowledge on data extraction mechanisms such as SQL, Excel etc.
- Hands on involvement in extracting, collating, performing data integrity checks, manipulating and analysing data

## **Skills and attributes for success**

- Analytical in nature and should be able to grasp new concepts very quickly
- Good written and verbal communication skills
- Excellent teamwork skills
- Demonstrated integrity within a professional environment
- Willingness to travel
- Ability to work within deadlines by multi-tasking and managing priorities

## **To qualify for the role you must have**

- Full time Graduate from recognized universities in disciplines of Computer Science/ Information Technology from the class of 2021

## **Ideally you'll also have**

- Flexible to travel and willing to relocate if necessary

## **What we look for**

People with the ability to work in a collaborative way to provide services across multiple client departments while adhering to commercial and legal requirements. You will need a practical approach to solving issues and complex problems with the ability to deliver insightful and practical solutions.

## **What working at EY offers**

EY is committed to being an inclusive employer and we are happy to consider flexible working arrangements. We strive to achieve the right balance for our people, enabling us to deliver excellent client service whilst allowing you to build your career without sacrificing your personal priorities. While our client-facing professionals can be required to travel regularly, and at times be based at client sites, our flexible working arrangements can help you to achieve a lifestyle balance.

## **About EY**

As a global leader in Assurance, Tax, SaT and Consulting services, we hire and develop the most passionate people in their field to help build a better working world. This starts with a culture that believes in giving you the training, opportunities and creative freedom to make things better. So that whenever you join, however long you stay, the exceptional EY experience lasts a lifetime.

**If you can confidently demonstrate that you meet the criteria above, please contact us as soon as possible.**
