Dear all,

Kindly note that Deloitte has come up with a Hackthon for 2021, 2022 and 2023 batch students.

Deloitte comes to DJ for placements. Placement of Deloitte depends on the participation of our students in this activity.

All are encouraged to participate in this event with whole heartedly.

For more details, refer the trailing mail.

Dear faculty members,

Request you to kindly inform the same to all TE and BE (2022/2023 batch) students and encourage them to participate.

Warm regards,

Rajendra Khavekar
TPO, DJSCE

Deloitte-powered Hackathon
Join the galactic Space Race

Dear Placement Head,

I am delighted to invite you to join Hackathon—a Deloitte-powered Space Race, involving cybersecurity related challenges.

The registrations are live, and the race will take place between 2 July and 26 July 2021.

Space Race
Space Race is an online game hosted on Deloitte's Hackazon platform. The game throws in cybersecurity and emerging technology related challenges at the participants, which makes

for an exciting learning experience. Participants get to solve puzzles related to emerging technologies such as Cloud and Product Security. Such a game is also known as a Capture the Flag.

Who is it for?
Individuals interested in cybersecurity can learn new skills and implement their knowledge while having fun competing. It is a great opportunity to enhance team building and indulge in a healthy competition while making your way up on the scoreboard.

How to participate?
You can join the competition via the Hackazon platform developed by Deloitte. All you need is a PC/laptop, and your favourite (hacking) tools and software, e.g., using Kali Linux.

Access the document attached above to know more about the registration process.

Join the event, become a *hackstronaut,* and enjoy practicing your hacking skills, whilst having fun with your team members.

[Join the event]

Get in touch

Looking forward to your participation in this event.

Please do not hesitate to get in touch directly with Gaurav, Achal or Santosh in case of any queries.

Gaurav Shukla,
Partner,
Risk Advisory

Achal Gangwani,
Executive
Director,
Risk Advisory

Santosh Jinugu,
Executive Director,
Risk Advisory

Thanks and regards,
Salima Valjee,
Campus Head, Deloitte India
